SUBJECT INDEX

- | | | | |
|--|-----|---|-----|
| Acute toxoplasmosis, experimental animals | 16 | Cigarette, sales to women and children, Thailand | 220 |
| Acidosis, distal renal tubular | 651 | Clinical trial, falciparum malaria | 316 |
| <i>Acinetobacter</i> spp septicemia, outbreak in a neonatal ICU | 365 | <i>Clonochis</i> infection, social and behavioral factors, Vietnam | 269 |
| Acute pyrexia of unknown origin, etiology, children | 175 | Condom use, Jakarta | 136 |
| Acute uncomplicated falciparum malaria in Thailand, clinical trial | 316 | Conjugate vaccines | 220 |
| <i>Aedes aegypti</i> , insecticide susceptibility, Thailand | 87 | Coronary heart disease, platelet fatty acids in | 675 |
| <i>Aedes aegypti</i> , larval habitat and distribution patterns, Thailand | 529 | <i>Crithidia luciliae</i> immunofluorescence | 646 |
| <i>Aedes aegypti</i> , South Vietnam | 81 | <i>Culex quinquefasciatus</i> , susceptibility, Thailand | 87 |
| <i>Aedes aegypti</i> , temephos resistance, resistance mechanism | 786 | Cytomegalovirus pseudomembranous colitis | 583 |
| <i>Aedes albopictus</i> , insecticide susceptibility, Thailand | 87 | <i>Daboia russelli russelli</i> bite, epidemiology and clinical picture | 855 |
| <i>Aedes albopictus</i> , larval habitat and distribution patterns, Thailand | 529 | DEN-4 virus, NS2a-NS2b sequence analysis | 554 |
| Ageing populations, public health priorities | 929 | Dengue hemorrhagic fever, knowledge, attitude and practice, Thailand | 385 |
| Airlungga scoring system, dehydration prediction | 615 | Dengue hemorrhagic fever, parturient and perinatal | 797 |
| <i>Allium ampeloprasum</i> , effect of volatile oil and T-2 toxin, murine | 899 | Dengue infection, perinatal | 793 |
| Aminoglycoside resistant enterococci | 849 | Dengue outbreak, seroepidemiological survey, Thailand | 564 |
| Amyotrophic lateral sclerosis | 659 | Dengue vertical transmission, Bangladesh | 800 |
| Anion exchanger 1 mutations, human | 651 | Dengue virus infection, the von Willebrand factor | 559 |
| <i>Anopheles minimus</i> complex, molecular variation and phylogeny | 771 | Dengue virus serotypes, determination, Thailand | 781 |
| <i>Anopheles minimus</i> s.l., insecticide susceptibility, Thailand | 87 | <i>Dermogenus ouisillus</i> , investigation of <i>Stellantchesmus falcatus</i> in | 281 |
| Antibiotic resistance of enteropathogenic <i>Escherichia coli</i> | 620 | Diabetes on Guam, changing patterns of chronic disease | 659 |
| Antibodies to circumsporozoite protein | 62 | Diarrhea and ARI, Bangladesh | 316 |
| Anti-double stranded DNA detection | 646 | Diarrhea, cause of childhood, Pakistan | 343 |
| Antimalarials against falciparum malaria, Thailand, therapeutic efficacy | 536 | Diarrhea, management of infant | 845 |
| Antioxidant capacity of <i>P. falciparum</i> infected erythrocytes | 744 | Diethylcarbamazine, biannual mass treatment | 758 |
| Antioxidant enzyme levels in rat erythrocytes | 480 | Dihydroartemisinin-naphthoquine-trimethoprim, treatment of falciparum malaria, Thailand | 316 |
| ARI, diarrhea, Bangladesh | 337 | Dihydroartemisinin, effect on antioxidant capacity | 744 |
| Artemether, intramuscular, treatment of severe malaria | 54 | Dislipidemia, platelet fatty acids in | 675 |
| Artemether-lumefantrine, treatment of falciparum malaria | 316 | DNA detection by ELISA | 646 |
| Artesunate and mefloquine combination, monitoring of efficacy | 542 | DNA vaccine of <i>Schistosoma japonicum</i> | 697 |
| Artesunate, intravenous, treatment of severe malaria | 54 | DNA, genomic, extraction and purification | 641 |
| <i>Babesia bovis</i> in cattle, detection | 751 | Ecology of <i>Aedes aegypti</i> , South Vietnam | 81 |
| <i>Bertiella studeri</i> , Vietnam | 298 | Effects of elephant garlic volatile oil, murine skin | 899 |
| Beta- thalassemia/Hb Tak compound heterozygote | 415 | ELISA for anti- double stranded DNA detection | 646 |
| <i>Blastocystis hominis</i> , <i>in vitro</i> cyst formation | 727 | ELISA, IgG4 assay, detection of brugian filariasis | 768 |
| Brugian filariasis, IgG4 assay | 768 | Enterococci, vancomycin and aminoglycoside resistance | 849 |
| <i>Burkholderia pseudomallei</i> , virulence gene | 810 | Eosinophilic pleural effusion in adults | 374 |
| Cerebral infarction, patient with tuberculous meningoencephalitis | 636 | Epstein-Barr virus infection in Thai infants, risk factors | 395 |
| Cerebral salt wasting syndrome | 636 | Epstein-Barr virus latent membrane protein 1 | 98 |
| Chinese herbal medicine, evaluation in HIV infected Thai | 379 | <i>Escherichia coli</i> , enteropathogenic | 620 |
| Chloroidal melanoma with secondary glaucoma | 424 | Falciparum malaria in Thailand | 37 |
| Cholinesterase, vegetable growers | 687 | Falciparum malaria in Thailand, therapeutic efficacy monitoring | 536 |
| | | Falciparum malaria in Thailand, treatment of acute uncomplicated | 316 |
| | | Falciparum malaria, efficacy monitoring of artesunate and mefloquine combination | 542 |
| | | <i>Fasciola gigantica</i> , immunodiagnosis | 713 |

FILADEC, oral-dose tablet, <i>Wuchereria bancrofti</i> treatment	758	Low-density lipoprotein cholesterol, serum level	199
Fluoride, effect on dental pulp cells <i>in vitro</i>	915	Lower genital tract infection, prevalence among women, Vietnam	367
Fly collection, effectiveness of baits	630	Lymphocyte subpopulations in malaria infected individual	310
G6PD deficiency, semiquantitative screening test for	405	Malaria control, Irian Jaya, Indonesia	62
Genetic structure, <i>Aedes aegypti</i> in South Vietnam	81	Malaria diagnostic models, cost-effectiveness and cost component	322
Genital tract infection, prevalence among women, Vietnam	367	Malaria in mobile Cambodians in Sa Kaeo, Thailand	48
Geographic information system, observations on malaria vectors	505	Malaria incidence, provinces along Thai borders, 1991-2001	486
GIS-based spatial modeling approach, malaria vector breeding habitats, Thailand	517	Malaria infected individuals, lymphocyte subpopulation	310
<i>Haplochromis taihui</i> , recovery and growth	718	Malaria vector breeding habitat, use of GIS-based spatial modeling	517
Health seeking behavior among insured persons	662	Malaria vectors, entomological observations on temporal and spatial distribution	505
Health systems comparison, China, Cuba, Japan, USA	937	Malaria, leprosy and dapsone	501
Healthcare-seeking behavior and health policy, rural Nepal	462	Mapping soil-transmitted helminthes, Southeast Asia	24
Helminthiasis among schoolchildren, Thailand	264	Mefloquine and artesunate combination, monitoring of efficacy	542
Helminthiasis, risk factors	264	Meropenem, stability in normal saline solution	627
Hemophilia carrier detection and diagnosis, cost-effectiveness	891	Mosquito breeding in South Punjab, Pakistan, role of waste water irrigation	72
Hepatitis A virus infection, northern Thailand, sero-epidemiological study	569	<i>Musa paradisiaca</i> , early feeding in neonates	608
Hepatitis B carrier among married women, Thailand	114	N-acetylcysteine in severe falciparum malaria	37
Hepatitis B virus, vertical transmission	106	Nasopharyngeal carcinoma in Indonesia	98
Herpes simplex encephalitis, benign form	393	Neutrophilic leukocytes, phagocytes activities, women, pregnancy	877
Herpesviruses, detection by multiplex nested-PCR	120	Nonketotic hyperglycinemia in neonatal seizures	202
High-lactose probiotic-containing formula, management of diarrhea	845	Ocular toxoplasmosis, Indonesia, clinical manifestation	291
Hip fractures, quality of life and functional status of patients, Thailand	427	Oral typhoid vaccine in Thai children, acceptability	334
HIV 1 and hepatitis C co-infection, Thailand	580	<i>Orientia tsutsugamushi</i> infected L929 mouse fibroblast cells	352
HIV vaccine development, Thailand	126	<i>Orientia tsutsugamushi</i> , antibody prevalence	165
Human lymphotropic herpes viruses, detection	120	<i>Orientia tsutsugamushi</i> , hemolytic, cytotoxic activities and induction of apoptosis	352
Hyperglycinemia, nonketotic in neonatal seizures	202	<i>P. falciparum</i> infected erythrocytes, effects of dihydroartemisinin	744
Hypertension, platelet fatty acids	675	<i>Paludomus petrosus</i> , cercarial infection	286
In house dot blot ELISA kit	1	Parasitology, diagnosis by dot-blot ELISA	1
Indirect immunoperoxidase assay, detection of rickettsial antibodies	171	Parvovirus B19 infection, prevalence in young Thai adults	585
Influenza virus strains in Thailand in 2001	94	Pathologic study of acute toxoplasmosis	16
Insecticide resistance, <i>Aedes aegypti</i> , South Vietnam	81	PCR-ELISA, detection of <i>Babesia bovis</i>	751
Insecticide susceptibility tests of <i>Anopheles minimus s.l.</i> , Thailand	87	Peer responses for screening at risk students, validity of	682
Intestinal helminthic infection, schoolchildren, Cambodia	254	Permethrin-impregnated bed nets, efficacy on malaria control	62
Intestinal parasitic infection, prevalence, Thai with mental handicaps	259	Pertussis vaccine, three components of acellular and whole-cell reactogenicity	863
Isolation and identification of influenza virus, Thailand	94	Plasmid profile of enteropathogenic <i>Escherichia coli</i>	620
Ivermectin, <i>in vitro</i> effect on <i>Plasmodium falciparum</i>	552	<i>Plasmodium falciparum</i> and <i>Plasmodium vivax</i> , distributions in Lombok-Island, Indonesia	495
Jinhuang Chinese herbal medicine, evaluation in HIV infected Thai	379	<i>Plasmodium falciparum</i> in G-6-PD deficient patients	301
Leptospirosis in Bangkok, clinical presentation and complications	159	<i>Plasmodium falciparum</i> , <i>in vitro</i> effect of ivermectin	552
Leptospirosis, clinical and serological study, India	822	<i>Plasmodium falciparum</i> , <i>in vitro</i> susceptibility to chloroquine and mefloquine, Philippines	546

SUBJECT INDEX

<i>Plasmodium falciparum</i> , infection, Lao PDR	43	Sleep apnea, physicians' perspective	420
<i>Plasmodium falciparum</i> , PFHRP-II protein	739	Smoking, behavior, attitudes, knowledge, Lao doctors	213
Platelet fatty acids in coronary heart disease, dyslipidemia, hypertension	675	SO ₂ and particles, acute effects, children, Thailand	906
<i>Pneumocystis carinii</i> infection among HIV infected patients, Myanmar	577	Social security act, 1990	662
PNH red cell populations, rapid screening	887	Soil-transmitted helminthiasis in Southeast Asia	24
Poliomyelitis eradication, Indonesia	598	<i>Stellantchasmus falcatus</i> metacercariae in half-beaked fish, Thailand	281
Polymerase chain reaction for the diagnosis of tuberculous meningitis	357	<i>Streptococcus suis</i> infection	154
Post-Kala-azar dermal leishmaniasis, Nepal	22	Survey on malaria in mobile Cambodia in Thailand	48
Prader-Willi syndrome, Thai, diagnoses	881	Systemic lupus erythematosus, a diagnostic and therapeutic dilemma	361
Praziquantel resistance in <i>Schistosoma mansoni</i> , genetic analysis	274	T-2 toxin, effect on murine skin	899
Pregnancy loss, Philippines	433	TBA and the perception of females, reproductive health, Lao PDR	919
Prince Mahidol Award, 2002	237	Telomerase activity, Malaysian	872
Pulmonary tuberculosis, early diagnosis	147	Tolerance and cell transplantation, immunosuppression	242
Quality of life after hip fracture	670	<i>Toxocara canis</i> , excretory-secretory antigen	723
Quinine, intravenous, treatment of severe malaria	54	Toxocariasis and risk factors in children, Sri Lanka	7
RAPD-PCR analysis of enteropathogenic <i>Escherichia coli</i>	620	<i>Toxoplasma gondii</i> , antibody in cats and owners	733
Rapid dipstick test, detection of brugian filariasis	768	Toxoplasmosis, ocular, clinical manifestations, Indonesia	291
Rapid immunochromatographic test for <i>P. falciparum</i> detection	43	Transplantation, cell, immunosuppression, tolerance	242
Reproductive health, trained TBA and the perception of females, Lao PDR	919	Transplantation, liver and kidney, co-development	238
Resistance to insecticide, <i>Aedes aegypti</i> , Vietnam	81	Treatment of severe malaria in Thailand, clinical experience	54
<i>Rickettsia typhi</i> , antibody prevalence	165	TT 118 spotted fever group rickettsiae, antibody prevalence, Malaysian	165
Rickettsial antibodies, detection	171	Tuberculin skin test, factors associated, Bangkok	804
Ring infected erythrocyte surface antigen, antibodies to	62	Tuberculosis meningitis, diagnosis of	357
Rubella antibodies, seroprevalence among pregnant females, Sri Lanka	398	Tuberculosis meningoencephalitis, cerebral infarction and cerebral salt wasting syndrome	636
Russell's viper bite, epidemiology and clinical picture, Sri Lanka	855	Tuberculosis, a diagnostic and therapeutic dilemma	361
<i>Schistosoma japonicum</i> 26 kDa glutathione S-transferase, field assessment	473	Tuberculosis, miliary, breakthrough neurological manifestation during treatment	634
<i>Schistosoma japonicum</i> egg antigens, immunoblot analysis	702	Tuberculosis, pulmonary, early diagnosis by PCR	147
<i>Schistosoma japonicum</i> , egg production capacity	708	Tuberculous meningitis, 1997-2000	869
<i>Schistosoma japonicum</i> , membrane protein DNA vaccine	697	Typhoid vaccine in Thai children, acceptability	334
<i>Schistosoma mansoni</i> , genetic analysis of praziquantel resistance	274	Underweight schoolchildren, Thai-Cambodian border	458
Schistosomiasis japonica, enzyme-linked immunosorbent assay with urine samples	469	Utilization of health care services, Vietnam	187
Sclerosis amyotrophic, lateral, Guam	659	Utilization of restricted antibiotics, Thailand	179
Scrub typhus, early diagnosis, Thailand	831	Vaccine development, a breakthrough	249
Scrub typhus, host animal studies, China	826	Vaccine of <i>Schistosoma japonicum</i> , membrane protein DNA	697
Self-reported condom use in Jakarta, reproducibility and validity	136	Vaccine, conjugate	249
Seroepidemiological study of toxocariasis in Sri Lanka	7	Vaccinology, twentieth century	244
Severe falciparum malaria, Thailand	37	Vaginal breeding in children	208
Sexual coercion among adolescents, prevalence and associated factors, Thailand	447	Vancomycin resistance enterococci	849
Sexuality of adolescents, sexual behaviors and opinions on	443	Varicella vaccine and MMR vaccines, immunogenicity and safety, Philippines	589
		Vectorial competence, <i>Aedes aegypti</i> , South Vietnam	81
		Vertical transmission, hepatitis B virus	106
		Wastewater irrigation in mosquito breeding, Pakistan	72
		Weil - Felix antigens, detection of rickettsial antibodies	171
		<i>Wuchereria bancrofti</i> antigenemia clearance, Myanmar migrants	758
		<i>Yersinia pseudotuberculosis</i> , characterization of monoclonal antibodies	839
